The vision of Pim

"It fascinates me to make the bridge between nature and human being with my own interpretation. I feel like a travel guide, my destination is people and our transportation is nature. Nature fascinates me and helps me see, learn and experience."

"Travel with me and let us discover together!"
Pim van den Akker

Home & Garden Fair 2006

In 2005, Pimdesigned took care of the design and decoration of the Fair at the Beeckestijn estate. This year Pim van den Akker and his company Pimdesigned will design the Fair. Which will take place from February 21st until 25th.

It will be a very special spectacle, so make sure you are there!
