

### Making every day's life extraordinary

#### Temptation of Flora

The exposition of Pimdesigned in museum "Het Prinsenhof" is a large success.

Many visitors went before you. Want to pay a visit?

Until January 2007 you can enjoy

"De Verleiding van Flora".

#### Pim's vision

Almost another year has passed in which I experienced and saw a lot. I met inspiring people and discovered extraordinary situations, moments and feelings. This year I can add controlling my life to my list. The learning: take control into your own hands and be the author of your own life. Create the days as if they are pages in the best book ever written. Experience, enjoy and respect nature. This is You!

#### New product

This little vase is added to the range of Pimdesigned. A small, pure and sound model which is designed in two different materials; ceramic and synthetic. Ideal for separate flowers.

#### Workshop

A special workshop will be held in Museum "Het Prinsenhof" on Sunday November 22 at 15.00. The theme is "floral objects" and the price is € 20,- incl material.

A unique chance to experience the world of Pim van den Akker.

You can enlist via [www.prinsenhof-delft.nl](http://www.prinsenhof-delft.nl)

#### Development

In the year to come, development continues to play a key role at Pimdesigned.

Again it will be an exciting year in which many new chairs, vases and lamps will be designed. We will work hard to create designs for new books and start with a new trainings program and master classes.

#### Your own character

On many places, the characters of Pimdesigned have been admired. They made many people stand still and enjoy the statues. Do you want your own unique character?

They are on sale; check [www.pimdesigned.nl](http://www.pimdesigned.nl) for information and photo's.

In the large world of design, Pimdesigned will conquer a place where the pure product is most fitting.
